

***We would like to say "Thank You" to our
2017 NORTH STAR SPONSORS!***

NCMA wants to thank all our generous sponsors who help support North Star Morgan Americana – an AMHA three star rated and Tri-State approved horse show that highlights both the Morgan and Saddlebred breeds; includes Morgan Futurity classes; an AMHA Youth of the Year contest that qualifies senior participants a chance to compete in Oklahoma; and Academy classes for up and coming riders just getting started. Your sponsorship helps us provide a family friendly atmosphere with fun games, food and other extras that enhance this show for all attendees.
